WHISPER

HHHHH

A comic book illustration featuring a person with dark skin and braided hair lying down, possibly on a bed or couch, with their eyes closed. They are wearing a dark blue or black long-sleeved shirt. To their left, a hand is visible, reaching towards them. In the background, another person is partially visible, wearing a red shirt and a dark vest. A speech bubble above the person in the red shirt contains the sound effect 'HHHHH'. The style is characterized by bold black outlines and a limited color palette.
